

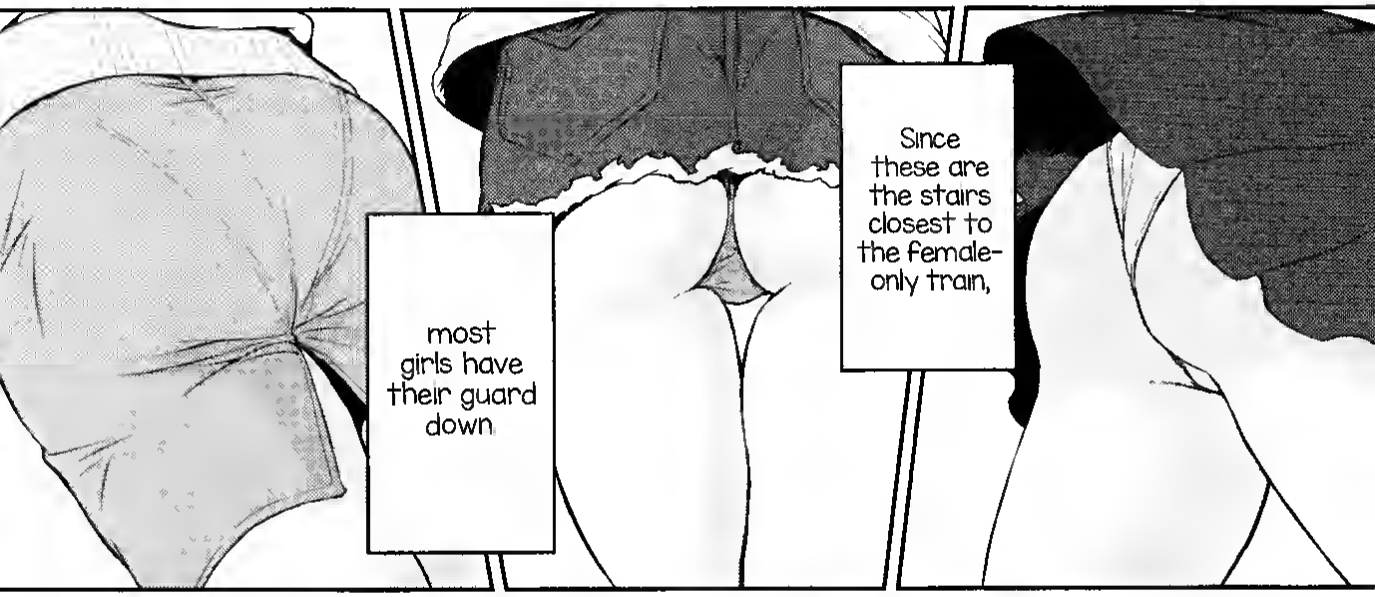
Pink...

I'm Fujiyama Maiko, currently in my second year of high school
My hobby is admiring the butts of girls.
Is My Hobby Weird?
Chapter One
COMAKU

This is the best spot to admire girls' butts
The station stairwell I use every day



most girls have their guard down
Since these are the stairs closest to the female-only train,

But when they see that I'm a girl, they usually ignore it
It's just a girl
Sometimes they notice me looking
Glance

That's right
I believe that staring at girls' butts is
a special privilege for girls.

There's a certain type I prefer.
But not just any butt will do

My favorite,
キョロ
キョロ
that is...
Yes.

A big, plump butt
like this one!
Many girls who diet believe that being thin is cute
However, a big, sexy, filled-out butt...
That's my type!

SCHLICK
SCHLICK
On the mornings I find such a butt,
Haa
Ha!
Butts..
Juicy butts
SCHLICK
SCHLICK
I have to satisfy my lust before heading to school
Ahh
An...
Ah

Recently,
I've been interested in a certain person
She's always on the train I'm on,
and gets off at the same stop
It's her!
This girl.

What colar are her panties today?
Wondering abaut whether I'll see her ar nat has become one of my marning joys
Oh, dreaming abaut her butt is getting me wet
Her butt is right in my strike zone
Plump, but with just enough muscle to counteract its weight and pull it firmly upward!!
What!?
Was she looking at me just now?
Must be my imagina-tion
She doesn't even know me.

Now where is she
To get off, head to the front of the door
For transfers, please go to platform #2
Huh?
Excuse me
Did she use another stairwell?
I'm sure I saw her getting off
She's not here!?

Huh!?
Wh... Why...
Um
Why is she-
Er
Are you

the one who's always
looking up my skirt?
Huh?
U-Um... That is
S-Sometimes I just happen to be behind you...
It's not like I'm trying to look or anything...

Oh, I'm not angry
I just wanted to make sure
Make sure?
Yes
You wouldn't say it like that if you weren't
.....!!
So you
were looking
Huh?
When a girl
looks up my skirt,
it really turns me on

I wasn't sure
whether you were looking or not
Anyway,
ごほんっ
But not guys!
Even letting them see our panties would be disgusting, right?
I was really worried!
But now I'm relieved
出口 4-8

My name's Tsuzuki Risa
I want you to keep looking up my skirt from now on!
Really? We were made for each other!
I-I guess that's true...
Let's do it! Keep your eyes on my back!
O-Okay!
Oh...
I-I'm Fujiyama Maiko
I... really love your butt...
I'd like to keep looking at you too...

Wow... This is...
I can stare at her butt all I want.
It looks even better now...
Oh...

Her panties are wet...
Is she feeling it from my stare?
What should I do... This turns me on so much!
Closer...
I want to see it even closer!

Ahh... I want to rush to the toilet right now...
もじ

Ha...
Hey
Does this turn you on?

Such a lewd scent...
Can I
bury my face in it?
Hehe...

Haa... Such a fine butt... ♡

She's not that wet today?
Hm?
What's wrong?

Um... Risa?
Are you not really in the mood for it today?
!?
Let me
do it for you today!

!?
Huh!?
Wh-What do you mean?
W-Wait!
What's wrong, Risa!?
What?
You're always doing it for me, so
But that's
I like doing it I'm glad you let me do it!

T-
Touch me!?
Haven't you ever thought of letting someone else touch you?
But...
You're always taking care of yourself, right?
That...
I...
haven't thought about
Maiko, perhaps...

you've never been touched by someone else before?

I haven't

Th... That...

Never
Huh?

Wh-What about you?

You were my first, Maiko
Huh...
So that's how it was...
What's with that reaction?
Huh? Well...
You thought I played around?
No, that's not it...
Whenever I do it,
you always accept it
I was so easily wondering about that
That's
because I'm happy
Huh?

When I go shopping, most clothes don't fit me
It reminds me that my butt is larger than average
I do like my own butt
But...
It's not the kind of butt girls want to have
And it's not the kind that they'd call cute either
That's why, when you told me you loved my butt,
I was really happy!
But I'm the only one who's enjoying it
And I noticed that I'm always on the receiving end

Maiko,
I want to make you feel good!
Can't I?
Er...
Um...

Don't worry
I'll be gentle
...
I...
I'm okay with it, but
Your nipples feel it

My fingers feel good, don't they?

Me too..
Ah
Ah
Ah
Ah

Haa...
Haa...
Didn't it feel good to be touched?
Yeah...
It felt really good...
Why do you know
all my pleasure spots, Risa?
All I did was imitate you
Imitate me?
I thought you would touch me in all the places you touched on yourself
And I followed that!

I thought that too!
Really?
When I think about being able to show my true self in front of you
it makes me happy!
Hehe
?
I want to know more about you, Risa!
And I want to know more about you, Maiko!
Let's discover more enjoyable things to do together!

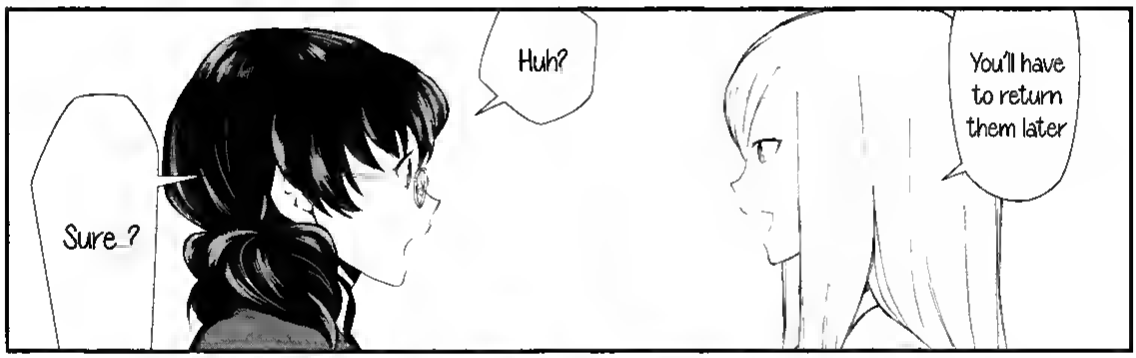
Chapter Three

COMAKU

Panties?
Mine?
Y-Yes.
I just want something of yours
to hold on to when we're apart
It's a no, isn't it
.....
I can't let you keep them
!!
If I don't wear them home, my mother will definitely notice
O-Oh
I knew it was unreason
However,

I'll let you borrow my panties!



Huh?
You'll have to return them later
Sure?

Here!

Huh? Um
What about the time?

So let's
meet up after school

Is it okay?
Of course it is!
I'll give you my number!
Ehe
I'm glad
Me too!
And then I thought it'd be okay to do it now!
I've always wanted to ask you,
but I didn't know when to bring it up

Now...
Here!
Wow...
They're warm!

Just show me your phone!
O-Okay Sorry
Stop that! Sheesh
I'll contact you after school
Okay!
It's really breezy..

It's rubbing a lot when I'm walking up the stairs
Ah...
Without panties, the skirt's hanging on my butt
When I think about that, it really makes me wet
If anyone below looked up, they'd see every-thing!
And right now

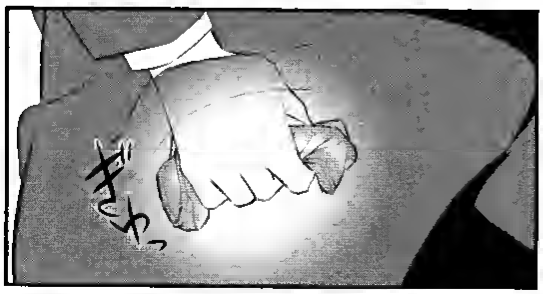
!
It's touching the seat when I sit normally.
I'll try sitting like this
Pushing my butt forward

Now they'll see me from the front...
Better close my legs...
Ah ♡
I can feel it clenching when I close my legs...
Ah... I can't...
I'll do it in the bathroom during break time...

Wow..
It's dripping..
When I'm not wearing panties, my mind goes there and I get turned on..

I wonder if Maiko is
getting aroused by my panties right now

.....
Let's try feeling them



ぎゅっ

I have Risa's panties in my pocket right now...

That's right... If I'm holding her panties, that means she's wearing nothing underneath right now...
I want to sniff Risa...
Ah
Ah
Ah
Ah
I want her by my side!
I can't wait anymore!
Now I'm getting turned on by thinking about it!
Ahh... Risa...

Now, I'll sniff them!

Risa's scent!

Chapter Four

COMAKU

Wh-
Who are you!?
Ah!
Sorry, I lost control
COUGH
for a moment there.
My name's Ondo Fumi!
Sorry for disturbing you!

The first time I came here,
I over-heard you by chance
Mn
SUCK
Ah
The sounds you made were so great, I was hooked
SCHLICK
SLURP

I'm always listening to your sounds
Always!?
Sounds?
Yes...
Today I heard you say you'd meet up after school, so I came
Since then, I've been coming here at the times you'd be likely to be here
Actually, I have really sensitive hearing
Especially for...
I thought about coming clean and saying sorry for eaves-dropping many times
but I didn't have the courage to do it
Huh!? Isn't that a bit creepy?
Ugh!
Right? I know

the sexy sounds girls make.
はぁ！
I get really aroused!
For example, on a train...
If the girl next to me is chewing gum..
SMACK

I get turned on by those sounds...

Hm...
I see...
I'm sure you don't get it, but I really love the sounds you make...
If I can't hear them anymore, I'd-
What should we do?
Huh!?
What do you mean?
It's a weird hobby that she can't talk to anybody about, right?
I know how that feels, so I want to help her out...
Hm...
But...
Maiko...
And she doesn't want to get in our way, either...

R-
Risa...
I want to
do it with you in a more relaxing place, Maiko...
I know!
You can use my room!

There's a big bed
I'm sure you'll have a much better time using it!!
A room!?
Yeah!
I live by myself
I'll be hidden, so there's nothing to worry about!
In exchange, let me stay underneath and listen to your moans!
Um,
why don't we go take a look for now
What do you want to do, Maiko?

Then it's decided! Let's go right now!
As long as Maiko's okay with it.
Come on in!

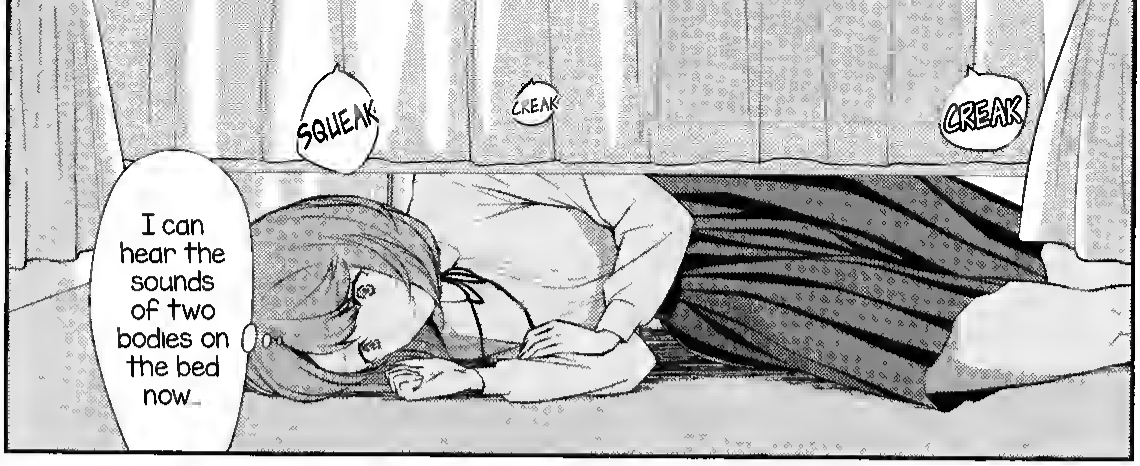
Are you attending a music school?
Yeah, ever since middle school
Security's good and they allow instruments
My mother picked this one since it was the only place within commuting distance of school
Wow... You're the only one living here?
That's right. It's a bit too big for me, though
That's where my sensitive hearing comes in useful
And here's the bedroom!

I'll hide myself right away,
so just ignore me and have fun!!
Wow!
It's like a princess's bed!
.....
I'll do just that
PRESS
Why don't we just try lying on the bed
What do you want to do?

Wow...
It's pretty squeaky.
ぎゅ
ぎゅ
She said to ignore her, but how can I not think about it...
.....
ほろっ

I've always wanted to have a bed like this
And
This bed feels really comfortable...
And it smells nice, too.
Hm?
Maiko?
Oh.
What are you doing? Come over here
Well
I thought I'd be able to see you from a different angle
PFFT

You don't hold anything back, do you, Maiko?
Huh? Oh, I'm sorry!
No,
I meant that as a compliment
Come!
I just thought of a new angle!



SQUEAK
CREAK
CREAK
I can hear the sounds of two bodies on the bed now...

This is the prelude... It's finally about to begin!
An inorganic sound, but in being abrupt and unreserved, it expresses its human origin.

I'll start

What do you think?
A...
Amazing.
This is the first time I've...

R-Risa...
Can you slowly squat down from that position?
Sure!
CREAK
Wow... ♡

I see your butt...
And I can tell it's turning you on...

Their wild rhythm
is becoming even more intense!!

Amazing amazing!
The thrill of heading straight towards the climax, this exhila-ration...
It's my first time

hearing this sound!!

Thank you!! The sound was wonderful!
Especially the moment of silence right before climax, my heart was pounding so hard!
Is that okay?
Of course!
Please come again if you'd like
We weren't thinking about anything at that point...
so it's embarrassing when you tell it to us like that...
I should be saying that!
Please take care of us from now on.

COMAKU

Hey! You're looking up my skirt!
Ah! I'm sorry!
It was just in front of me, so I...
But I don't mind!
What?
.....
Hey.

Have you two kissed before?

What!?

I've listened to you two many times now,
and I've heard the sounds of licking,
but not kissing.

Wh-Why did you ask that all of a sudden!?
Ah! I'm sorry!

So...
I wanted to hear you two kiss!
O-
Oh...
Maiko, what should we do?
Huh?
U-Um...
Kisses, you know...
they're supposed to be special, right?

So I don't think I can do it right now...

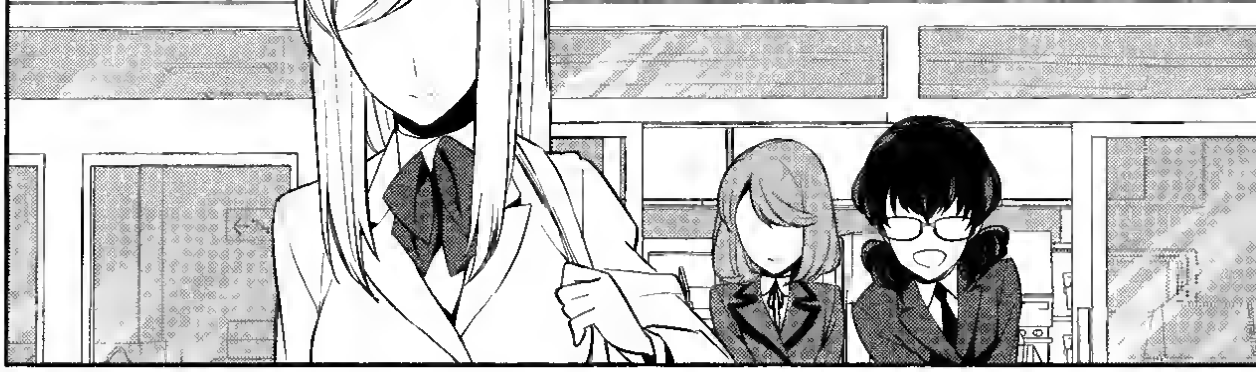
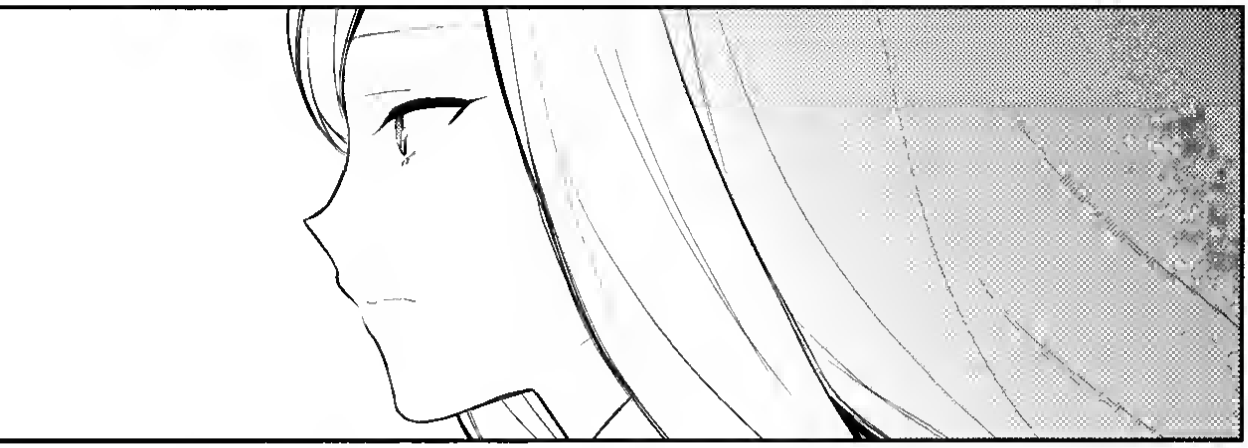
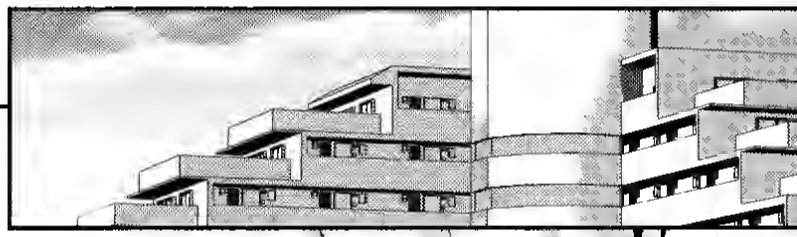
So...
R-Really?
Kisses are just greetings to me.

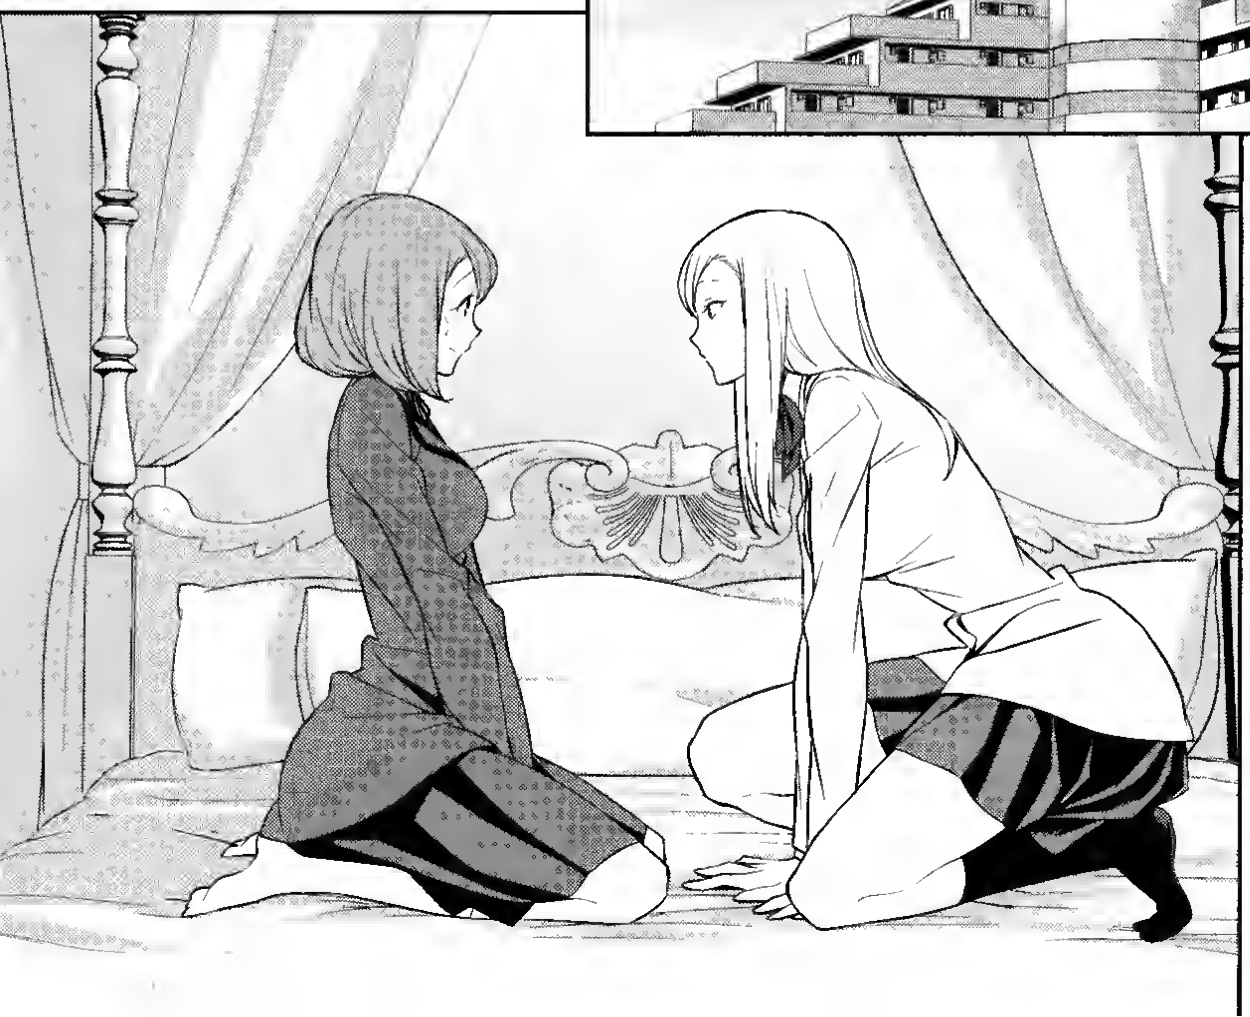
Huh?
Would you kiss me, Fumi?
See,
But...
if you want to listen to the sound of kissing, wouldn't the sound be better if you were doing it?

Um...
I...
You don't want to see us kissing, Maiko?
I do!!
O-Okay!
Huh?
Let's go to her house right now!
If it's fine with Maiko...
.....









B-But...
Fumi!
You're too stiff!
O-Okay...
Let's just try it!

Don't worry! It'll sound great!!

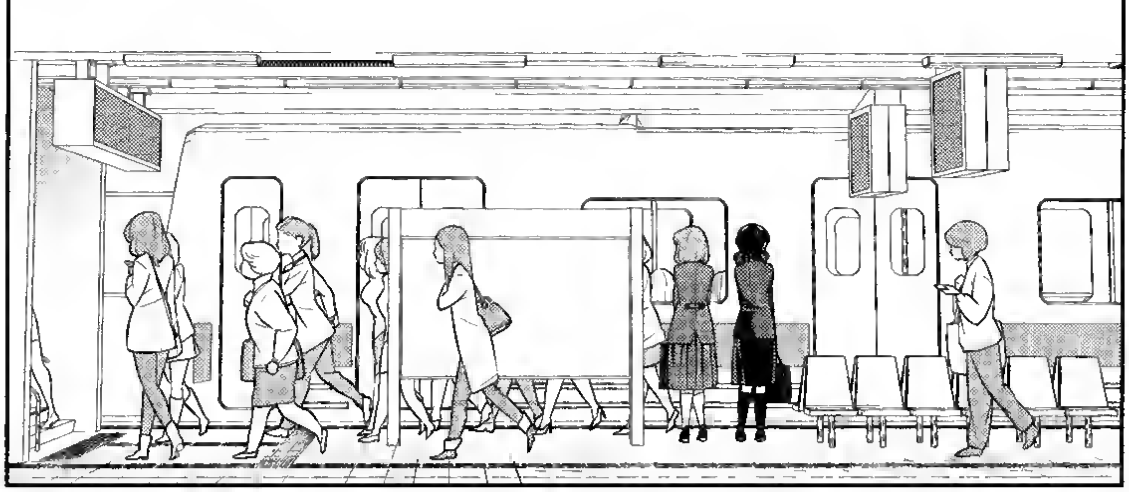
Good morning, Maiko!
Oh, Fumi. Morning...
By yourself today?
Yeah...

Risa's not here yet...

Is My Hobby Weird?

Chapter Six COMAKU



08:16

Yeah...
Risa's still not here.

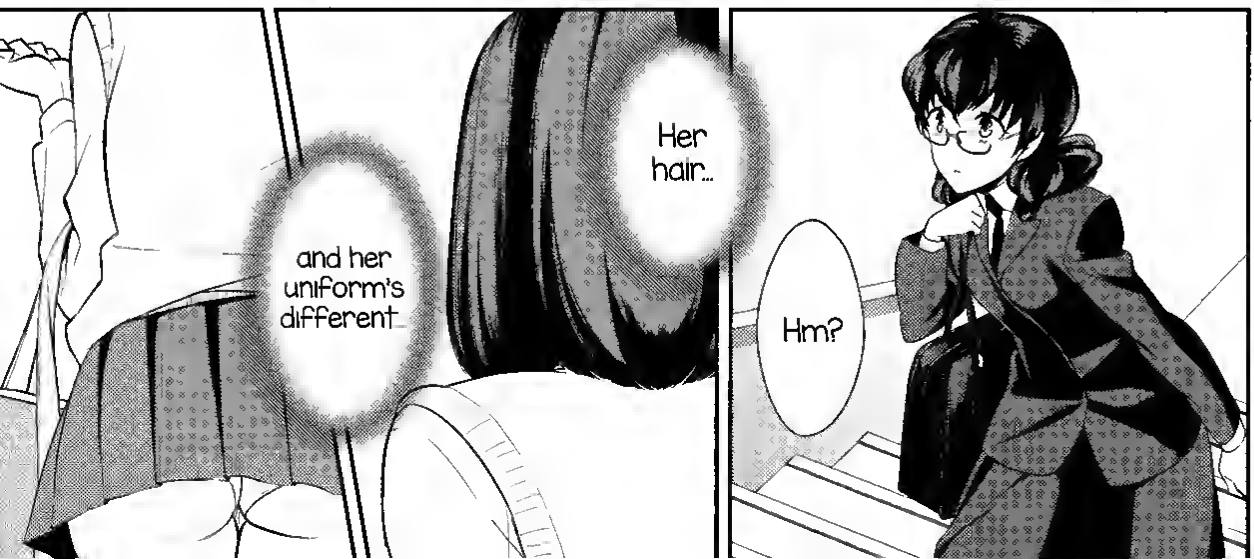
O-Okay!
I'll be late if I don't go now.

See you!

I still have time, so I'll stay a bit longer.

But if she's sick in bed or riding on the train, I'm sure it would be hard for her to reply...
In these situations
I can text her something like, "How are you?"
Risa... Is she taking a day off?
.....
Please be careful
I'll text her "I went ahead of you!"
If she's not on this one,
Okay
The door is opening
Is she really taking a day off?
.....!
I don't see her.
Risa.

It's Risa!



Hm?
Her hair...
and her uniform's different...

R-
Risa?
ピク
But that butt's definitely...
Ah!

You're Risa... Right?
...Risa?
W-Wait!!
ずる…
.....

...How did you know it was me?
Huh?
A-Are you trying out a new style?
It really is you!
Well,
I recognized your butt.

You were just calling out to people with nice butts and got lucky, right!?
That can't be true...
Th-
No!
Every butt is different!!
Butts express a person's personality, lifestyle, nature, hobbies, ideas...

Your butt is the way it looks because of you, Risa!
The butt of the person I love... I'd never mistake it for anyone else's!
...I don't get it.
Why couldn't you kiss me then?
.....

"Kisses are supposed to be special, so I don't think I can..."
Remember what you said!
Huh? Wh-What do you mean?
What...
It's the opposite!
That meant you didn't want to kiss me, right?

What does that mean?
What I meant was,
"Is it alright for me to kiss Risa?"
Um...
I like you a lot...
but maybe you're just accepting my feelings because you're being nice...
So when I think about our relationship,
calling us "friends" would be conceited of me...
?
Being your "fan"
seems more appropriate...

So that's how you felt...
That's why I said that...
I thought I shouldn't wish for something as important as a kiss...
...Sorry.
I was mistaken.
I thought you couldn't kiss me
because I wasn't important to you...

That for you, I was just a girl with a butt you like...
If it's about butts, it didn't have to be me...
So I disguised myself
to test you...
I wanted to know if our feelings
were mutual or not...
Huh?
D-Doesn't that mean...
You're not the only one
who feels that way, Maiko.

No.
Y-
You feel the same way?
S-So it's okay to think of you as a friend?
We're closer than that!

R-Risa...
So you thought of me... that way...

We couldn't tell each other
what was most important.

From now on, I'll be
more honest with my feelings.
M-Me too!
I'll say it properly!

I... I do.

feels much better than before, doesn't it?
So if we
have lots of kisses, it'll feel even better!

I love you!
Maiko! I love you!
I... I do too...

Oh,
I have to apologize for one more thing.
Hm? What is it?
I better apologize to Fumi as well...
.....
I was trying to test you.
I thought you would stop us if you liked me.
Sorry...
I don't really think of kisses as just greetings...
My kiss with Fumi was my first time.
I really enjoyed seeing that...
So don't worry about it!
I'm not sure whether you're trying to be positive about it or not.
Huh!?
But that's what I like about you.

Fumi!
Oh.
So Mariko's last today.
Oh, Risa.
She texted me saying she has a meeting, so she'll be late.
Oh, I see.
Thanks for waiting!
It'll take a while, so let's find a place to sit.
Okay.

Is My Hobby Weird?

Last Chapter

This is pretty awkward.
Is it just me?
But I have to tell her
Okay.

Fumi!
Risa!
Ah.
Wh-
What
is it,
Fumi?
What
about you,
Risa?
You can
go first.
Um...
Okay...

You know...
Am I bothering the two of you?
Just tell me if I am, okay?
I love listening to the sounds you two make,
so you don't have to include me or anything!
Oh, I'm fine with you two using my room like always.
It's my first time doing this...
I'm not sure how close we should be...
Ah... Fumi.

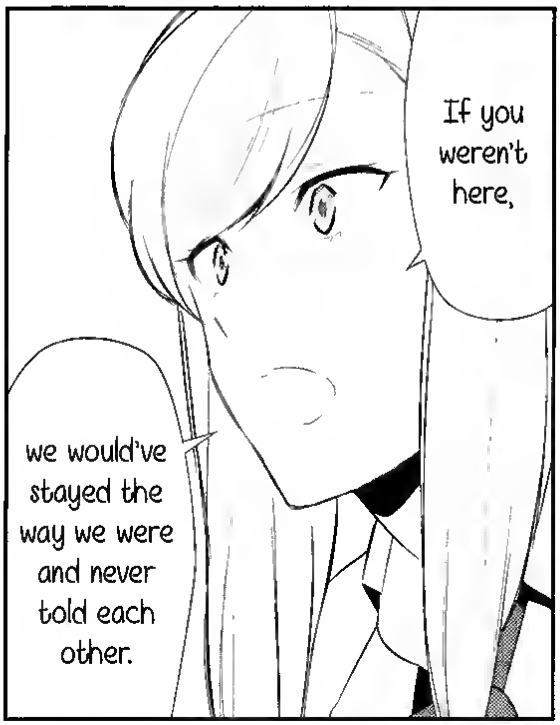
It's probably my fault for making you think that way.
No, it's not your fault.
Just...
Are you thinking about that time we kissed?
Was it alright for us to kiss?
I was wondering...
Ah! The kiss was good! I loved hearing it!

I want to apologize for that.
Yeah...
Maiko looked like she was okay with it,
but you didn't...
Apologize?
Yeah.
I did that
to test Maiko's feelings.

I wanted to know if Maiko would be jealous if I kissed someone else.
So, I used you.
That's what happened.
I'm really sorry!

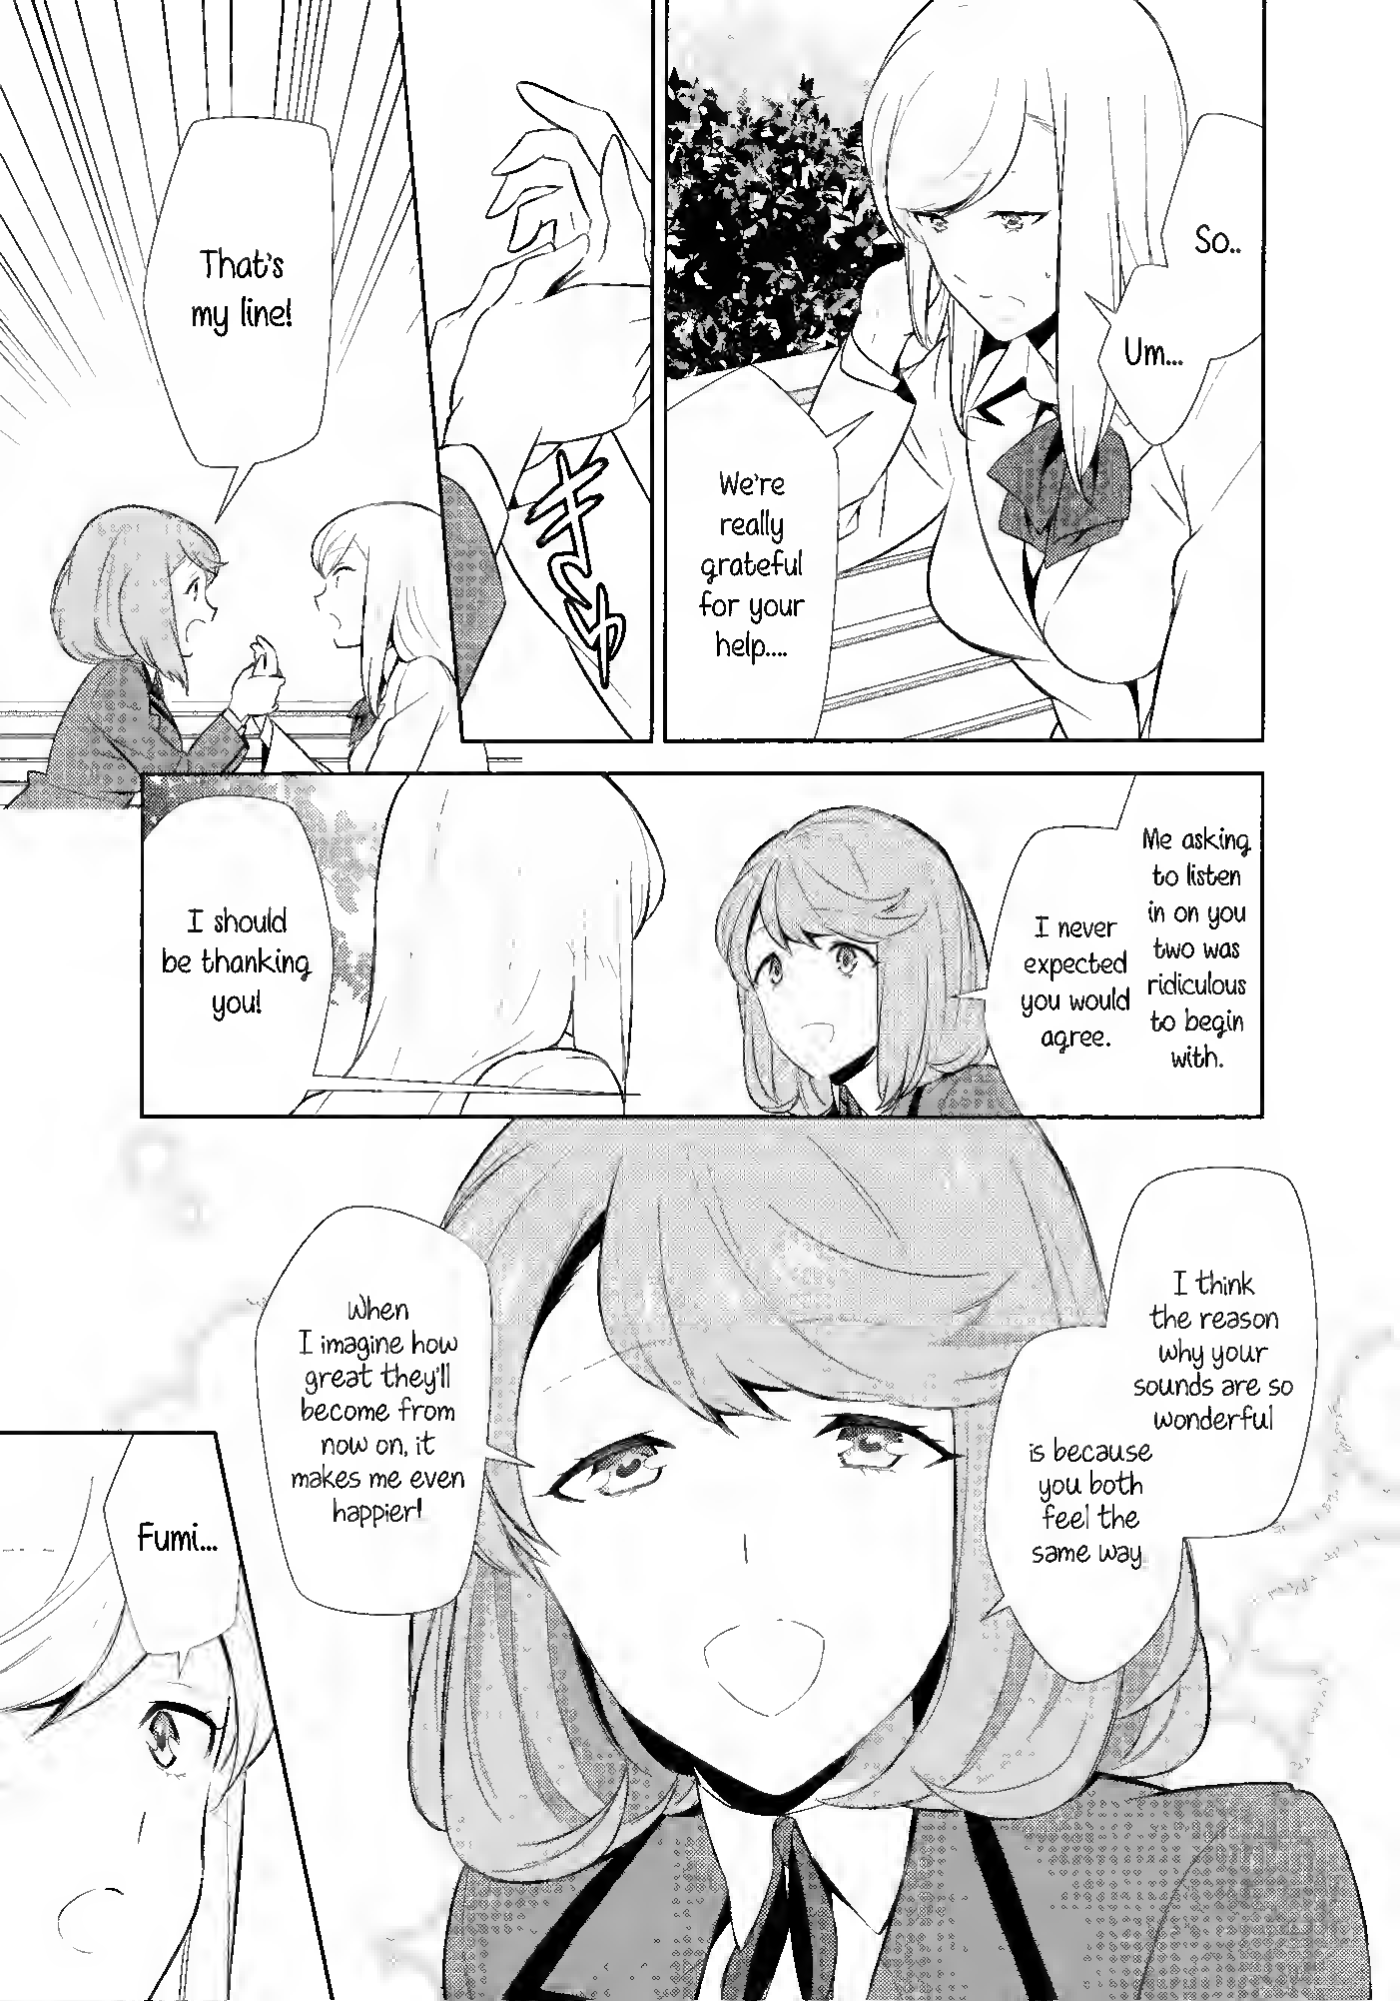
I suspected you were doing something like that.
Huh!?
But being able to listen to kissing sounds was too tempting.
So I kissed you.
Then...
Fumi...
I used you too,
so don't apologize.

Huh?
Let me say thank you.
That's...



If you weren't here,
we would've stayed the way we were and never told each other.

I talked with Maiko this morning.
And we got our feelings across.



That's my line!
すぐ
We're really grateful for your help....
So..
Um...
I should be thanking you!
I never expected you would agree.
Me asking to listen in on you two was ridiculous to begin with.
Fumi...
When I imagine how great they'll become from now on, it makes me even happier!
I think the reason why your sounds are so wonderful is because you both feel the same way

Today's meetup
About today's meetup, I want to apologize to Fumi properly, so is it okay if I'm a little late? I'll mail you again when I'm done. Sorry!
Thanks for waiting.
We're done talking.
A message has arrived.
Risa must be talking with Fumi right about now...

Maiko!
Ah!
Thanks for waiting!
Well...
let's go.
Okay!

Fumi!
Huh?

You'd hear it much clearer
if you're right next to us!
I'm fine!
?
I'll stay under the bed-
You know what I mean?
Yes!
Let's do it together!
Okay...

KISS
!!

Phah
mn!
mph!
!!
KISS

Ah!!

This feels...
Ah...
So good!!

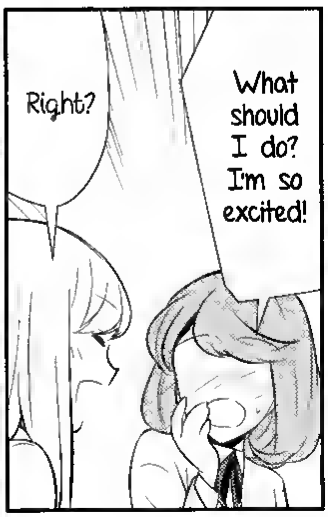
That was
really fun!
Hearing your breathing and the sounds of sweaty skin-on-skin up close...
It was wonderful...
!!
We could come up with some themes, too!
Like a day where Fumi's on top!
Ooh! That sounds nice!
Is there anything you want to try out?
Things I want to try out...
Hmm...

So I'm trying on a bunch of different panties...
and someone's peeping on me!
When I'm this close to making it reality, it really makes my heart jump
What about you, Maiko? Anything you want to do?
Hm?
Is that alright?
How about changing here? You can shower, too!
Hurray!
But my mom would definitely find out...
I-I really want to see that!

I want to go to an amusement park...
Ooh!
A-And then...
while we're on the Ferris wheel, you could pose for me while no one can see us!
That sounds fun!
And you could try on your panties at the same time, Risa!
You're right!
Wh-Wh-Wh-What should I do? I'm so excited!
Right?
Fumi, what about you?
Me!?

I want to record your sounds...
Record!?
Yeah...
And then...
I want to play them at max volume!!
Slosh Slurp Ah! Ha! Slosh
Nnn! Mnnf Ah! Haa♥
Mn! Ah! Mm! Ah! Ahh.
Slosh Ahh! Slosh Slurp Haa

Y-You know...



Right?
What should I do? I'm so excited!

Is it really okay?
That's pretty interesting! Let's try it out!

Talking about this out in the open...
It's kind of nice!
Hey, can we keep talking about the things we want to do and make them happen?
That'd be fun!
Right?
Yeah.
You're right!
It'll definitely be a blast!

That was the plan, but...
You're next, Fumi!
ちゅ
ヒチュ
How did it end up like this...
Mn!
ヒ〜ン

A few hours earlier.
This is what I prepared for the pajama party.
What do you think?
Wow! You're amazing, Fumi!
It's like something you'd see in a magazine!
Really? Thanks!
This is for Risa...
and this is for Maiko!
I picked something I thought would suit you!
Really!? Thank you!
Try it on!

Both of you look so cute!

Well, we're all ready now!

Wha? You're that stylish!?
I wear it all the time, though.
Hm, this?
Yours looks cute too, Fumi!

I always wear my uniform
It's my first time wearing something like this...
This is cute and feels nice!

Let's start our pajama party! ♡
Yeah!
In the beginning
Girl talk!
Tea time!
Sleep-over!
That's what it felt like, but..
Mn...

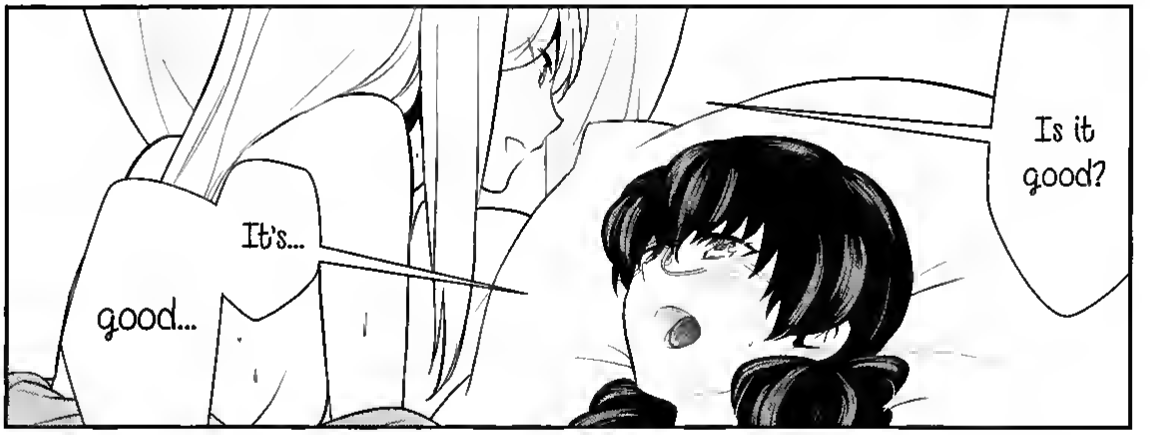
Oops, I dropped some.
.....
What's wrong, Maiko?
Huh?
I...
Um...
That is...

That sentence started it all.
I thought it looked
a little tasty.
Wanna lick it?

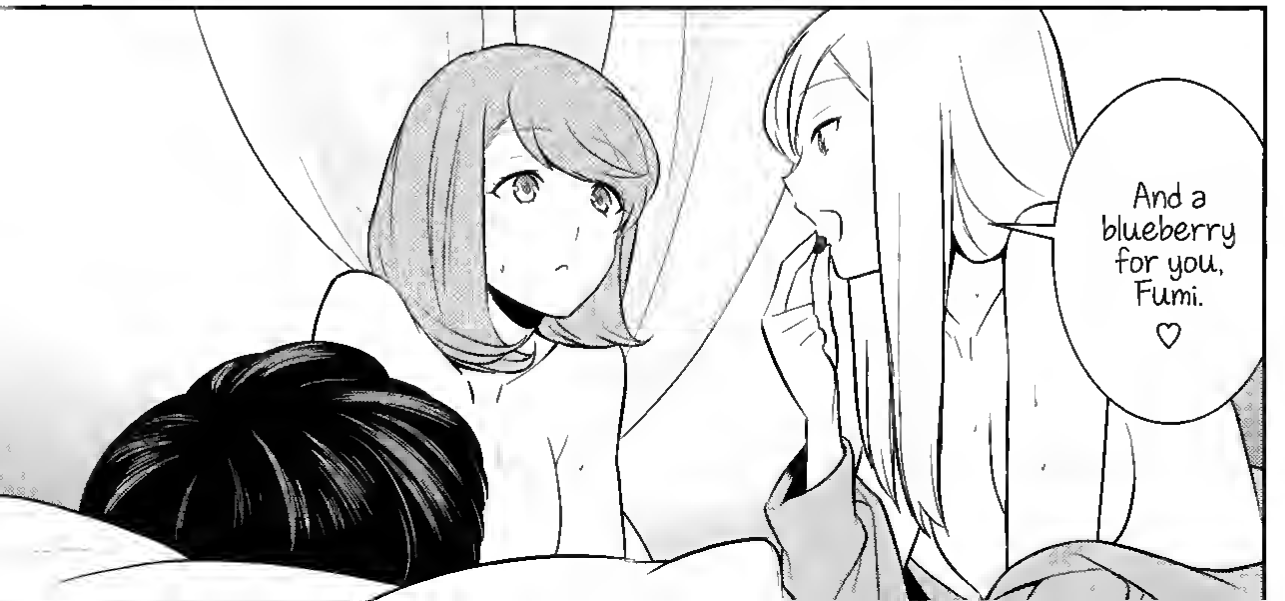
M-May I!?
Sure.
LICK
Then...
SUCK
SLURP
.....
SUCK
SUCK
That got everyone in the mood for it.

And now we're here.
Maiko.
Mm.
Shahbelly (strawberry)

Hah!
くちゅっ
くちゅ



Is it good?
It's...
good...



And a blueberry for you, Fumi. ♡

.....
This is... fun!
Yeah! ♡
Having this happen
is just like us, I thought ♡
END

We cleaned everything up afterwards.
